DESCRIPTION OF ARCONA 430

The Arcona 430 suits if you are looking for a beautiful, high-quality yacht with performance characteristics. A yacht without compromises, well-kept and has been well taken care of. The yacht is family-sailed and is now being sold by its second owner, who bought the yacht in 2010 when the boat only had logged 650 Nm.

The layout is designed with two spacious aft cabins with a double berth in each cabin. In the stern there is a toilet on starboard and L-shaped galley on the port side. The galley is well-designed with plenty of work space and storage compartments. The saloon in front of the galley is classical designed with a U-shaped sofa on the port side and a straight sofa on the starboard side. In between there is a saloon table that can be folded up and then form a large table where the whole family can accommodate. In the front there is a large cabin with separate toilet.

The boat is currently registered in England and all certificates and papers are available. Even VAT receipt is available. Right now, the yacht is indoors and ready to be shown to its new owners!
