DESCRIPTION OF JEANNEAU SUN FAST 37

Jeanneau Sun Fast 37 is a performance version of the sister boat Sun Odyssey 37. This boat is designed for the IMS rule and has particularly good sailing performance thanks to a higher rig, deeper keel (lead) and high mast. The boat is upgraded with new mainsail from Boding Sails 2014.

This boat is a spacious 3-cabins version, with up to 9 berths. It is equipped with new bright cushions in microfibre and new cockpit cover.

A very attractive sailboat for sailors with high demands on both speed capacity, seaworthiness, comfort and stowage space.

Boat facts:

Length 11,40 m

LOA 9.60 m

Width 3.70 m

Depth 2.07 m

Displacement 6.2 tonnes

Keel weight: 2.04 tonnes

Engine:

Yanmar 3GM30, 29 Hp. Annual replacement of fuel filters, oil filters, impeller

Propeller / Drive: 2 blade propeller fixed shaft

Sails / Sail Equipment:

Rigg: 17 m, Type: 9/10 fractional rig, keel-stepped mast

Main Sail Boding cr.laminat 2014

Genoa Apollo 150% 42m², 2011

Storm jib, 2002
