DESCRIPTION OF BAVARIA 34

Three large cabins and a large saloon with flap table provide space for even a larger crew. To port there is a working galley, to starboard the navigation table or "onboard office" and in the bow a big toilet with shower.

The cockpit is also spacious with a large cockpit table and comfortable benches.

For enjoyable sailing, the boat has good equipment, normal efficient mainsail and furling genoa as well as gennaker with sock.

Here is everything needed to make Bavaria 34 a wonderfully comfortable boat for long trips!

The boat has only been used for private use in the immediate area, is in very good condition and is sold by the first owner. A lot of updates made over the years.

It has no grounding or other damages, has always been winter stored in a warm hall and serviced by authorized Volvo Penta Service.
