

Beneteau Oceanis 46, 2009

Location: Øer, Ebeltoft

Price: 1 545 000 DKK. (2 261 257 SEK/206 949 €/880 514 PLN)

The Oceanis 46 is one of the most popular models from the world's largest boatyard Beneteau Group. If you are looking for a fast and spacious boat with clean lines and great spaciousness, this is a good choice. It is a boat where every detail has been carefully considered to build the best boat in the class. A true Blue Water Cruiser. The hull and deck design are done by Berret-Racoupeau Yacht Design and the interior is designed by Italian Nauta Design.

DESCRIPTION OF BENETEAU OCEANIS 46

We have the pleasure of offering this fine one owner's boat which appears in very nice and updated condition. The boat is looked carefully after and cared for and continuously updated by the owners. As can be seen from the equipment list, the boat has undergone many upgrades in recent years, and appears in both condition and equipment for a new owner to sail the boat wherever it may be desired.

In the winter of 2017, the boat visited Årøsund Boatyard, where a fully integrated doghouse was designed and built on the boat, and at the same time the boat had a complete copper coat antifouling treatment program carried out.

The integrated doghouse replaces the traditional sprayhood, and it is distinguished by adding a whole new dimension to the cockpit, both during sailing, but especially during stays in port. It is also possible to close the cockpit completely or partially with cockpit tents. The boat has a large and protected cockpit with 2 steering wheels and stationary cockpit table.

Below deck the boat is very spacious and with a tastefully interior with lovely spacious saloon as well as large pantry, equipped with all comforts. There are 2 good aft cabins and an attached toilet with shower aft. At the front of the boat is a large closed owner cabin with its own toilet with shower.

All in all, a boat that invites you to stay long stays on board.

Beneteau Oceanis 46

DKK 1.495.000

From 2009

Specifications:
