DESCRIPTION OF AQUADOR 23 HT

Aquador 23 Ht which has been fully renovated and updated in few last years. This popular boat is very spacious compare to its length. Great wooden parts give luxury feeling.

This boat is very wide which means more space inside the boat. The open space is good sized with large u- couch in the aft where a bigger group can enjoy the summer day. The open space is equipped with galley where you can find a sink, stove and fridge. Benches and mattresses has been updated in 2022 so they are in good condition. In the cabin 2-3 persons sleep in to bow. One bed aft part of the cabin. There is also water toilet in cabin and ladders to the front deck.

The boat has been renovated totally in last few years including:

Big service to the engine in 1000h.

New wallas stove DT85- 2019 and serviced 2023

Wallas heater- serviced 2023
