DESCRIPTION OF HALLBERG-RASSY 37

The Hallberg-Rassy shipyard in Ellös is known for its well-planned design with the highest finish and class in the carpentry. The 37 is no exception. The boat is designed to enjoy being out at sea with the security of the center cockpit and the stable sailing characteristics. At the same time, the boat is extremely comfortable to live on board with large spaces below deck. In the stern there is a spacious aft cabin and in the bow a cabin with plenty of stowage space. In between there is a lounge, kitchenette, navigation table and toilet. Under the cockpit is the engine room, one of the wow factors of this boat. The engine room is gigantic and everything is easily accessible.

The Hallberg-Rassy 37 belongs to the second generation German Frers-designed Hallberg-Rassy, where the sailing characteristics have been sharpened with a wider stern and longer waterline. The boat has no limitations, sail in Nordic waters, or down to the Mediterranean, or a lap around the world. Everything is possible with a Hallberg-Rassy 37.

The third owner is now selling this Hallberg-Rassy 37 which is well equipped and very nicely updated in recent years in the current ownership, including a new sprayhood and cockpit canopy, as well as a new plotter and radar from Raymarine.
The boat will be displayed at Open Yard in Ellös, 25/8-27/8.
