DESCRIPTION OF BENETEAU OCEANIS 343 CLIPPER

The Beneteau Oceanis 343 is characterized by a well-planned layout and thoughtful solutions both above and below deck. The cockpit is nicely designed, and due to the placement of sheets, winches, table, and steering wheel, it's easy to spend extended periods even while sailing. Once in port, there's convenient access to the swim platform at the stern. Below deck, the headroom is an impressive 2 meters, and the volume is striking. It accommodates two cabins, a spacious toilet with a shower, as well as a galley and a navigation table. The berths, as well as the salon sofa, are generously sized for comfortable living aboard.

This particular vessel has recently been equipped with new sails and a new GPS plotter. Furthermore, all desired equipment is present, such as a heater, cockpit canopy, and autopilot.
