DESCRIPTION OF SCAND 29 BALTIC

A Scand 29 is a motorboat with a very high build quality. It is craftsmanship at its best and carried out by skilled Norwegian boat builders. The boat is built in just over 1,000 copies!

In relation to its age, this Scand 29 has very few and negligible signs of use. The engine has a low number of hours of just 1,380 hours.

The boat is equipped with 2 separate sleeping cabins and a bunk. In the middle of the boat there is a pantry and a sofa group/dining table. The galley provides a good real workplace for the boat's chef(s). There is a sink with cold and hot water. Stove with 2 burners and an oven. There is also room for a good fridge and a separate freezer.

Aft there is a double berth with cupboard space opposite the boat's bathroom with toilet and shower. There is a holding tank, so the toilet can be used in port.

In the front cabin there is a wide berth with room for 2-3 people. In the bunk in the salon there is room for one or perhaps two small children or juniors.

All rooms in the boat are utilized for storing everything that a family needs. No space is wasted!

In the large cockpit, there is seating for 6 around a large table that can be folded out for larger parties.

From the helm's solid and comfortable chair, there is access to easy maneuvering of the boat. There are fore and aft trusts. It helps for safe port maneuvers. Anchoring is also easy with the electric windlass on the bathing platform. On longer stretches, the autopilot takes over control.

On the bathing platform is the bracket for the inflatable boat, which is also included.

The boat is powered by a Yanmar diesel engine of 290 hp. with only 1,380 operating hours. Speed up to 25 knots.

The new owner of this very well maintained and comfortable boat will immediately be able to enjoy life at sea. Holiday or weekend trips.
