DESCRIPTION OF NAJAD 340

A Najad 340 is a classic yacht from Orust a little north of Gothenburg. The island of Orust is known among sailors around the world for boats of the highest craftsmanship quality. This also applies to the Najadværftet where this boat was built in 1993.

This Najad 340 contains all the classic qualities and is in a very nice well-maintained condition. The beautiful teak deck was renovated last year and has new caulks and appears as good as new. Below deck there are 2 cabins with 2 berths each. Up to two more can be accommodated in the saloon. There is a toilet with a bath. The holding tank is currently not connected, but it can easily be done. There is hot water for a shower and a new toilet.

The galley has good table space with a double sink, stove with oven and 3 burners and an Isotherm cooler with cooling accumulator.

The chart table has plenty of space for "desk work" and storage of miscellaneous navigation equipment.

A U sofa forms the frame in the salon and is reupholstered in 2023 with fine and durable furniture fabric. The same fabric is used on all cushions etc. in the cabins.

Below the waterline, the hull in 2023 has been completely sanded, primed and painted with anti-fouling paint.

The boat has always been stored indoors during the winter.

All in all, this Najad 340 appears in very well-maintained condition, and is ready to sail on for many years to come.
