## DESCRIPTION OF DEHLER 47

Dehler 47 SQ - The Perfect Sailing Experience

Discover a new dimension of sailing with the Dehler 47 SQ. This sailboat offers not only performance but also world-class comfort and elegance. With the Dehler 47 SQ, you'll get the ultimate sailing experience.

Top-Level Performance
The Dehler 47 SQ is a purebred sailboat built to deliver impressive speed and agility. The powerful sail plan, including Quantum mainsail and jib, along with its finesse design, allows you to sail with precision.

Elegant and Functional Design
The elegant and modern design of the Dehler 47 turns heads in every harbor. The boat's spacious deck and well-equipped cockpit provide a perfect place to relax and enjoy the sailing. The interior is designed with high-quality materials and details that create a luxurious atmosphere.

Home-Like Comfort
The Dehler 47 offers a generous and comfortable interior designed to make your stay on board as comfortable as on land. The spacious salon and well-appointed cabins provide plenty of space for the crew to relax and enjoy their time on board. The generator provides power, and the powerful watermaker ensures a continuous supply of water during long journeys at sea. This model features two cabins with bunk beds in the bow and a separate head with a forward connection.
