DESCRIPTION OF BENETEAU OCEANIS 37

She is equipped with new top quality North sails main and genoa, supported by the reliable 29HK Yanmar with only 650 hours. The deck hardware with harken winches is prime rate and all running rigging except the topping lift is led aft to the cockpit through jammers.

The cockpit is very wide and at the helm you get a full view of the sails and a direct connection to the rudder. There are three cockpit lockers, including a huge sail locker to starboard. A pivoting helm seat offers access to the swim platform astern.

The interior is bright and airy, giving a comfortable 1,95 m headspace. The L-shaped galley is immediately to port, including gas stove and oven, front-opening 12-volt refrigeration, double sinks and plenty of storage.

The aft cabin on port side is roomy and includes a genuine double berth, hanging locker and a very large storage space astern.

The head is more spacious than former beneteau models and brings a stall shower.

The saloon comes with two large sofas, the one on starboard with storage below. The numerous portlights flood the saloon with light, and seem bigger below than from on deck. The hull ports also add light and sense of space and will bring great ventilation.

The owner's cabin is forward and comes with large lockers below the berth

This Beneteau 37 offers great value for money and invites for endless cruising and island hoping..
