

Contrast 33, 1985

Location: Fredericia

Price: 275 000 DKK. (402 030 SEK/36 822 €/156 206 PLN)

The Contrast 33 is a classic, and the first model was launched in 1979. Over 250 boats have since been built, which speaks to the fact that the model has been thoroughly worked out. The boat is designed by Rolf Magnusson who is known for designing easy-sailing and fast family boats, with a well-thought-out deck layout and below deck interior. The cockpit is large, and you sit comfortably, also on the cockpit frame. All halyards are led back to the cockpit. The hull and deck are hand-made sandwich laminate. Stainless steel tanks, Seldén 5/6 rig and lead keel. All in all, a solid quality boat that still to this day offers lots of sailing pleasure.

DESCRIPTION OF CONTRAST 33

This boat, with build number 171, which is now offered for sale, has been in the family's ownership since the boat was built in 1985 and is sold now when the owner wants to go ashore after a year-long and memorable life on board the boat, where the many years testify that the boat has fully met the requirements for both family and racing.

The boat can be inspected on land, where it is just spring prepared, bottom painted and with professionally polished hull. Just as the boat is sold with all equipment, ready for the summer cruise. Note new Yanmar engine in 2012.
