DESCRIPTION OF LUFFE 48 MK II

When you enter a Luffe yacht, you will experience how speed and elegance are combined with comfort and excellent quality.
This Luffe 48 is no exception.
We are pleased to offer this fine example of the most recently built Luffe 48, the first in the MK II version, where quality and sailing performance have not been compromised, and where all equipment is selected from the top shelf, regardless of price.
Luffe 48 is a beautiful boat that stands out from the crowd and attracts attention wherever it appears. The boat has an efficient design that tastefully pays homage to clean lines in a sleek hull design, with a simple and well thought out deck and cockpit layout that, supported by the efficient electric winch, among other operating the headstay furler, and self-tacking jib, allows one person to sail the boat efficiently. Really a boat for the discerning and quality-conscious sailor who wants a boat with a beautiful design and good sailing performance.
The boat has a large and well-arranged teak covered cockpit, with teak cockpit table.
The boat is equipped with 2 carbon fiber steering wheels, which together with the open stern provide unhindered access through the cockpit from the moment you step aboard via the boat's carbon fiber gangway. Aft in the cockpit an integrated shower with cold and hot water. The deck is also covered with teak and equipped with several large flush skylights that provide both ample light in the cabin and air through the boat.
Below deck, the boat is furnished with 2 aft cabins, a double and a single bed cabin where the single bed cabin has access via toilet room.
To port of the entrance there is a large well-arranged pantry with fridge and freezer, and to starboard a well-organized nav station. The salon area consists of u-sofa with large salon table and longitudinal berth in starboard. The furnitures is made of finest cherry veneer and cushions are upholstered with Alcantara.
In the bow of the boat is separate master cabin with direct access to toilet.
The boat appears in well maintained and updated condition and has had 2 owners. The boat is ready for new adventures with a new owner.
