DESCRIPTION OF GRAND BANKS 36 CLASSIC

New Lower Price

Grand Banks 36 Classic carries the heritage of its iconic design. With its traditional trawler profile and teak detailing, the boat offers a timeless and functional look.

Built with solid hull construction and clean lines, this vessel is designed to deliver both practicality and comfort at sea. The Grand Banks 36 is a well-regarded model and has long been a favorite among many boaters.

This particular boat, from 1989, has been well taken care of by the current owner, with a long list of upgrades and maintenance carried out over the years. There's room for continued work if desired, and the asking price reflects the boat's current condition and improvements made.

Over the past 8–10 years, more than SEK 1 million has been invested in maintenance and upgrades. One of the more extensive jobs completed is the full replacement of all fuel and water tanks.

The boat has been surveyed on land by a certified marine surveyor.
