DESCRIPTION OF NIMBUS 35 NOVA COUPE

Nimbus 35 Nova is a very popular model from the renowned Nimbus Boats AB in Västres Frölunda, a boat that combines quality, safety, speed and elegance in a simple way.

The boat sets the stage for fast and safe cruising in all conditions, and it is easy to get on board either via the large bathing platform aft or through the wide forward pulpit.

The boats from Nimbus are renowned for their very good seagoing characteristics, which makes it possible to endure long distance cruising in very comfortable conditions.

This is a boat for the active sailor both at sea and while in port with its beautiful covered veranda and additional large bathing platform.

In addition, it is a boat with beautiful lines, a safe walk around deck and then this version has beautiful teak decks all over. This particular Nimbus 35 Nova has almost everything in equipment, and the current owner has made convenient updates in recent years. (have a look at the extensive equipment list in pdf)

Incidentally, the engines have only run a good 500 hours, so it has only just barely been sailed in.

Contact responsible broker Michael at michael@baadagent.dk for further information.
