## DESCRIPTION OF ELAN 33

---

The Elan 33 is a popular boat with very good sailing performance from the renowned Elan Yachts. The boat is based on an IOR  $\frac{3}{4}$  ton prototype. The Elan 33 is a classic but still modern boat, and the first model was launched in 1987.

The boat is designed by J&J Design who is known for designing easy-sailing and fast family boats, with a well-thought-out deck layout and below deck interior. The boat is built by the renowned Elan Yachts in Slovenia.

The cockpit is large with good comfort, also on the cockpit frame. All halyards are led back to the cockpit. The cockpit has an integrated swimming platform.

Below deck the boat has a spacious layout with a nice salon, pantry and nav station. As well as, for the boat size, a spacious toilet and an aft cabin for two as well as a double bed in the bow.

The wooden interior is in good and maintained quality and so is the salon cushions.

All in all, a solid quality boat in good and updated condition that still to this day offers lots of sailing pleasure and with no need for additional investment in equipment.

The boat is delivered spring ready and launched, ready for new adventures with a new owner.
