DESCRIPTION OF BAVARIA 40

To port of the companionway there is an L-pentry, with plenty of storage, stove, oven and fridge box. To starboard is the navigation table, which can also function as an "onboard office". Aft to starboard is a spacious cabin with a wide double berth and to the port a large toilet with drying locker.

The spacious forward cabin has its own toilet.

The salon features a U-shaped sofa as well as two comfortable armchairs and a large table, perfect for accommodating a larger group.

The deck layout is designed for efficient sailing and the cockpit has plenty of room and storage space.

This Bavaria 40 is sensibly equipped with e.g. bow thruster, teak in the cockpit and new navigation electronic.

Thanks to the standard mainsail, the sailing characteristics are surprisingly good.

The boat is in really nice and good condition with many updates made over the years.

The second owner is selling and the boat is located in Espoo near Helsinki / Finland.
