## DESCRIPTION OF NAJAD 320

---

The pentry in Najad 320 is L-shaped with interesting solutions for expanding working areas, suitable for food-lovers. The saloon/main cabin has room for the large family and the front cabin has two wardrobes. Well-designed toilet cabin.

From today's perspective, Najad 320 is a cruiser for owners who prioritise comfort and suitability for strong winds over speed. The intrinsic value is very high and her sailing performance is better than expected. Najad 320 is designed to be used for long seasons. The impression is that she is larger than 32 feet.

This Najad 320 is recently updated with sails, stack pack/lazy bag, sprayhood, cockpit tent, bowsprit with in-built ladder, transom platform with ladder, new rudder bearing /socket, 220 V on-shore circuit with battery charger e.t.c.

Some word from owners: "Sailing performance better than expected. Surprisingly good even in light winds". "Wonderful cruiser and solid built – no crooked doors or swaying keels on this one"
